

**What should I do if I
forgot my Log in
password?**

Using Java (Desktop App)

Click Forgot Password
Provide the following:
Username
Regcode
Email

Using Mobile App

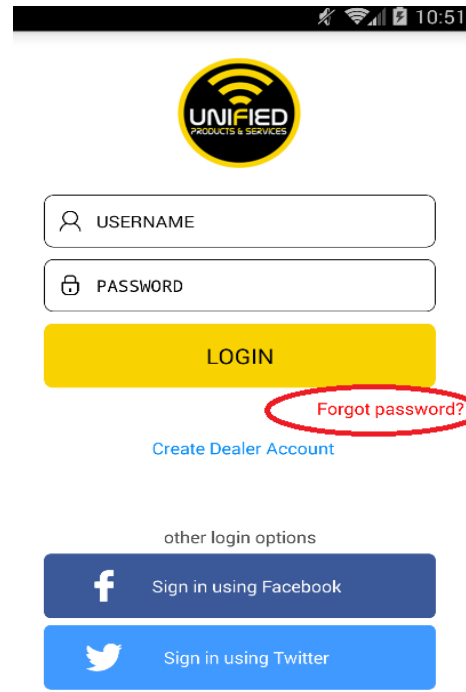

Click Forgot Password
Provide the following:

Username

Regcode

Email

A screenshot of the mobile app login screen. At the top is the UNIFIED logo. Below it are two input fields: "USERNAME" with a person icon and "PASSWORD" with a lock icon. A yellow "LOGIN" button is below the password field. A red circle highlights the "Forgot password?" link next to the login button. Below the login button is a blue link "Create Dealer Account". At the bottom, under "other login options", are two buttons: "Sign in using Facebook" with a Facebook icon and "Sign in using Twitter" with a Twitter icon.

How can I change my Log in Password

Using Java (Desktop App)

Click User

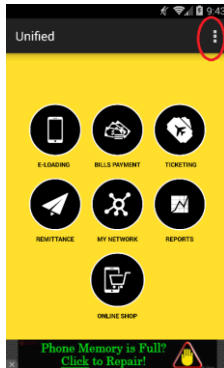

Click Change Log In Password

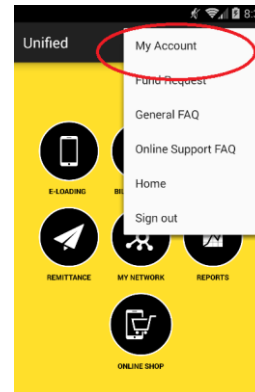

Using Mobile App

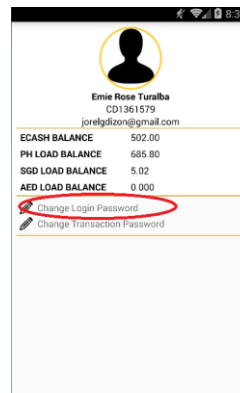

Click Settings

Click My Account

Click Change Login Password

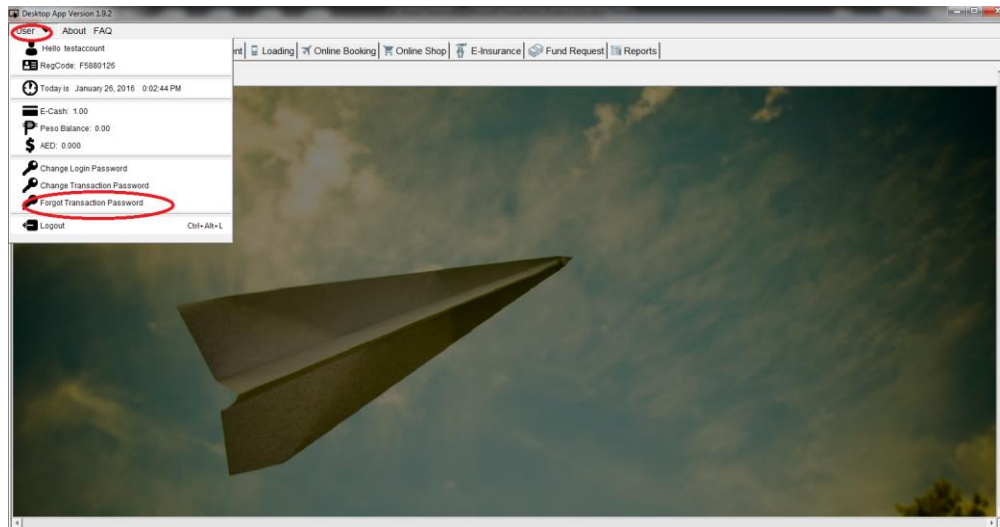

**What should I do if I
forgot my Transaction
password?**

Using Java (Desktop App)

- Click User
- Click Forgot Transaction Password

Using Mobile App

Go to My Account

Click Forgot Transaction Password

A screenshot of a mobile application's login screen. At the top, there is a grey header with a black silhouette of a person's head and shoulders. Below the silhouette, the text "manager operation" is displayed, followed by the phone number "1234567" and the email address "joseph.dizon@gmail.com". The main content area is white and contains three input fields: "CURRENT PASSWORD", "NEW PASSWORD", and "CONFIRM PASSWORD". Below these fields, there is a red link that says "Forgot Transaction Password?". At the bottom of the white area, there are two black buttons: "Cancel" and "SUBMIT". A red circle is drawn around the "Forgot Transaction Password?" link.

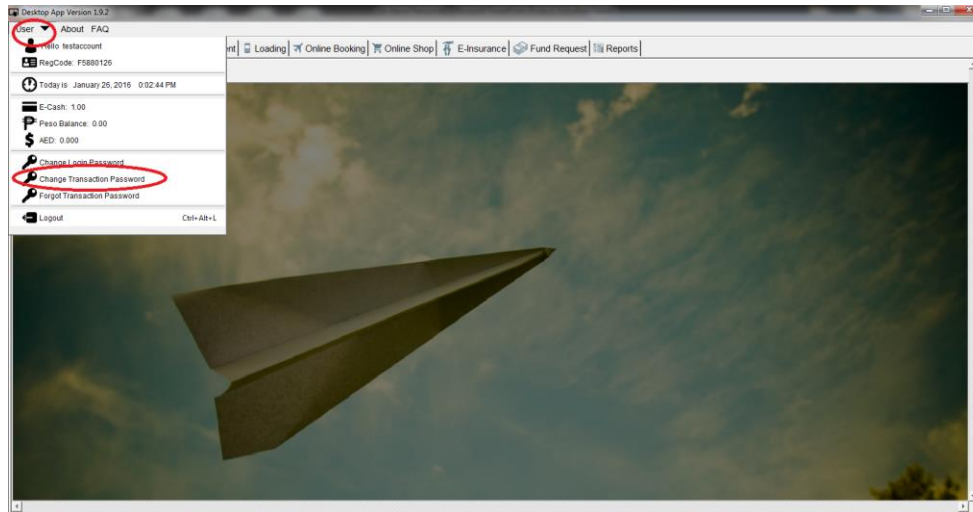

How can I change my Transaction Password

Using Java (Desktop App)

Go to User

Click Change Transaction Password

Using Mobile App

Go to My Account

Click Change Transaction Password
